Dear Admissions Committee Members,

I am pleased to provide a recommendation for Amir Abbas Khalili, a student in my Systems Engineering class during the second semester of 2022 at Amirkabir University of Technology.

I am well acquainted with Mr. Khalili and all of the qualities that make him a good candidate for admission to your graduate program. Amir is a highly motivated and enthusiastic individual who consistently shows attention to the information, as evidenced by his active participation in class. He demonstrates a keen attention to detail and possesses the ability to quickly grasp new hints.

His strong conversational skills are clearly demonstrated in class, as he can easily engage in debates on different topics and present his own opinions. His personality is also well-suited for collaborative group work, as he adeptly manages and coordinates group tasks. During group presentations, he delivered the content effectively in a calm and composed manner.

Furthermore, Amir has consistently achieved outstanding academic performance, attaining remarkable scores in various assessments, including exams, projects, classroom exercises, and active participation. He consistently ranked among the top-performing students in the class and got an A score.

I genuinely recommend Amir for your program, as I am fully confident in his abilities and potential as a great candidate. Please feel free to contact me in case you require further information.

Regards,

Amir Golroo
